Without schools, our society will not be able to meet the intellectual demands of existing and emerging technologies.

Instead, we would be forced to abandon most of our inventions and return to a more primitive and simple age, with no intellectual demands on the individual.

Learner's attributes

Confident

Confident in working with information and ideas – their own and those of others.

Responsible

Responsible for themselves, responsive to and respectful of others.

Reflective

Reflective as learners, developing their ability to learn.

Innovative

Innovative and equipped for new and future challenges.

Engaged

Engaged intellectually and socially, ready to make a difference.

Learning from failure

FAMOUS FAILURES

ALBERT EINSTEIN
He wasn't able to speak until he was almost 4-years-old and his teachers said he would "never amount to much"

MICHAEL JORDAN
After being cut from his high school basketball team, he went home, locked himself in his room, and cried.

WALT DISNEY
Fired from a newspaper for "lacking imagination" and "having no original ideas."

STEVE JOBS
At 30-years-old he was left devastated and depressed after being unceremoniously removed from the company he started.

OPRAH WINFREY
Was demoted from her job as a news anchor because she "wasn't fit for television."

THE BEATLES
Rejected by Decca Recording Studios, who said "We don't like their sound—they have no future in show business."
