The learning process includes game elements consisting of a flow of lessons, tasks to be completed and gaining a course completion certificate.

The screenshot displays a Moodle course interface. At the top, there is a navigation bar with links for Home, Dashboard, My courses, and Site administration. Below this is a blue header with 'Book', 'Settings', 'Import chapter', and 'More'. The main content area is titled 'Comunicare nonverbală' and features a video player with the title 'Ce spune limbajul corpului tău?'. To the right of the video player is a 'Table of contents' sidebar with a list of items: 'Comunicarea verbală', 'Comunicare nonverbală', 'Comunicarea scrisă', and 'Stabilirea formelor de comunicare indicate în diferite contexte'. A purple circle highlights the 'Table of contents' sidebar, and a purple arrow points from the text below to it.

Here you can see the content of the module organised by chapters

The theoretical part of the course is presented as an E-book. There are **sections for main course modules**, each module comprising several chapters. You can navigate through and stop on the sections that you consider as being of interest.

If you are more visual, you have the option to read the Power Point presentations. Enjoy the course!
